

# leaders for tomorrow

Help from mentors who care about your success in college—and beyond.

## we believe in your potential

We pair 21st Century Scholar high school students with dedicated, college-educated mentors who become your guiding stars, supporting you every step of the way.

- **Mentoring:** Meet with your mentor every other week to discuss your goals, overcome challenges, and receive unwavering support.
- **College Readiness and Success:** Get expert guidance on college applications, financial aid, study skills, and navigating the complexities of higher education.
- **Career Exploration:** Discover your passions and explore different career paths.
- **Character Development:** Build your leadership skills with the guidance of those who have been there and can help.

## the starfish experience

Empower your future with one-on-one mentoring, college readiness support, and life-changing opportunities

- **Community of Support:** Connect with fellow Starfish Scholars and mentors, creating a lasting network of friends and colleagues.
- **Participate in the 3 C's Programming:** Develop your College Readiness, explore career options, and build character traits.
