

mentors needed!

Ready to make a difference while boosting your professional journey?

elevate your impact

Starfish relies on professionals like you to make a lasting impact. Your expertise and guidance can shape a student's educational and career journey.

We're not just looking for mentors; we're looking for professionals ready to invest in the future.

- **Enhance Your Leadership Skills:** Guide and inspire the next generation, honing your leadership capabilities.
- **Community Engagement:** Be part of a community committed to meaningful change and social impact.
- **Expand Your Network:** Connect with like-minded professionals, mentors, and local employers.
- **Professional Growth:** Benefit from mentor training and development—fostering your own professional growth.

the starfish advantage

You provide the time, and we'll provide you a chance to shape the future of Indy's youth while boosting your professional skills.

- **Smart Matching Logic:** A tailored approach for a mutually beneficial experience.
- **Active Match Management:** Ongoing support and guidance for both mentor and mentee and tools and resources to make your experience effective and rewarding.
- **College & Career Readiness Workshops:** Access to exclusive workshops and programming for you and your mentee.

mentoring is more than guidance

Starfish Initiative is about being a positive role model and a consistent source of support for 21st Century Scholar students in Marion County. Our scholars gain valuable skills and confidence to navigate college and professional life beyond high school, despite:

100% of Starfish scholars are from low-income homes.

72% are minorities.

60% live in single-parent or grandparent-headed homes, and 67% will be the first in the family to graduate college.
